Experience

Destek A.Ş.

Artificial Intelligence Intern

Ankara, Türkiye
August 2026 – September 2026

- Co-developed an AI-powered call center solution within a team, integrating Large Language Models (LLM), Speech-to-Text (STT), and Text-to-Speech (TTS) technologies.

Gamegine

Game Developer Intern

Ankara, Türkiye
July 2026 – August 2026

- Developed a Rogue-Like magic shooter demo using Unreal Engine 5 and performed QA play-testing for various in-development titles.

HAVELSAN

Software Engineering Intern

Ankara, Türkiye
July 2024 – August 2024

- Collaborated within an agile sub-team to build an automated testing tool, focusing on the design and implementation of the Graphical User Interface (GUI) using C++ and the Qt framework.

TÜBİTAK SAGE

Candidate Researcher (Part-Time)

Ankara, Türkiye
March 2024 – June 2024

- Engaged in the research and orientation phase of software testing methodologies, gaining exposure to automated testing tools and quality assurance (QA) processes for large-scale systems.

Gamelab İstanbul

C++ Developer Intern

İstanbul, Türkiye (Remote)
August 2023 – September 2023

- Implemented required class methods in C++ to support and extend the functionality of the GlistEngine.
- Performed debugging and code optimization on existing engine modules to improve overall performance and stability.

Çankaya University

Undergraduate Teaching Assistant (Part-Time)

Ankara, Türkiye
November 2022 – February 2023

- Coordinated a team of volunteer teaching assistants to facilitate mandatory coding lab sessions for undergraduate students.

- Evaluated and graded weekly programming assignments, providing constructive feedback on students' code logic and quality.
- Provided hands-on technical mentoring and troubleshooting support to students during practical lab hours.

Leadership & Activities

VR Akademi — ETKİM, ODTÜ Teknokent

XR Developer (Early-Stage Startup)

Ankara, Türkiye

September 2025 – May 2026

- Contributed to the R&D and conceptualization of educational VR simulations on Meta Quest 3.
- Participated in the XR Akademi Hackathon, building foundations in Virtual and Mixed Reality (VR/MR).

ACM Hacettepe

Game Development R&D Member

Ankara, Türkiye

January 2024 – September 2024

- Actively participated in the game development R&D team stationed at the Hacettepe Teknokent Pre-Incubation Center.
- Conducted extensive game design sessions, focusing on conceptualization, core mechanics, and project planning.

Oyun ve Uygulama Akademisi

Participant

Ankara, Türkiye (Remote)

December 2022 – July 2023

Bilişim Vadisi DIGIAGE

Game Developer Trainee

İstanbul, Türkiye

September 2022

- Participated in a 10-day game development camp.
